<http://PrecisionDoor.net> shows you step by step how to program your garage door codes Genie brand Garage Door Openers.

### **Program Your Garage Door's Opener Codes For Genie - YouTube**

Because the external Aladdin Connect uses a sensor attached to the garage door itself, you are alerted as to whether the door changes to the fully open or closed position even if the door is operated manually by disengaging the door from the opener.

### **Aladdin Connect Smart Device Garage Door Opener and App**

Older model Genie garage door openers use dip switches rather than a "smart" to program the opener and remote controls. Unlike their Intellicode system, which you can program with a press of a button, the remotes and the door opener dip switches must match in order for the remotes to work correctly.
